Company Profile

Guangdong Zosun Electrical Appliance Co., Ltd was established in 2013, located in Shunde hometown of household appliances. Zosun company covers an area of 20000 square meters and owns more than 360 employees with 6 intelligent production lines, a metal stamping workshop and a comprehensive quality testing center.

“Quality First, Credit Above All” is always the policy of Zosun insists who is devoted to continually testing, designing, improving and developing products. Zosun has passed the ISO9001 / ISO14001 / BSCI international quality system certification and environmental management certification system, all of products comply with international standards such as CB / EMC / LVD / GS / ETL / LFGB / ROHS / REACH approval. Zosun always implements the concept of customer value creation for customized products to meet the needs of different customers, and continuously provide customers with solutions and technical support for further exploration and innovation, and excellence.

Zosun is specializing in the field of high-end intelligent kitchen appliance, including heating products Pizza Maker, Arabic Bread Maker, Deep Fryer, Coffee Roaster, Coffee Grinder and refrigeration products Ice Maker, Slushie Maker, 3 In 1 Auto ice maker, Ice Cream Maker which are sold well to more than 80 countries in global. Zosun focuses on stable development of new products with latest technology with the ability to innovate 10 new products yearly according to the market demand.

Zosun will take advantage of professional management and marketing experience with good service in the line to innovate better products and more business. Sincerely and warmly looking forward to inviting customers from all over the world to cooperate with us and create a brighter future.

Electric Slushie Maker

Enjoy the slushie summer, enjoy life.

2.6L

SL-3025

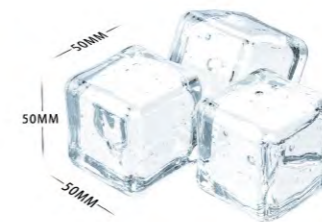

Electric Slushie Maker

- Power supply :110-240V~50/60Hz, 200W.
- Product capacity:88oz (2.6L).
- 6 Preset setting: Automated programs give you tailored temperature settings.
- High efficiency compressor: RapidChill Technology freezes liquid evenly for perfect icy treats.
- Easy to clean with dishwasher-safe parts and Rinse Cycle.
- Add recommended sugar(more than 5%) substitutes to ensure perfect slushie.
- Consumers can adjust the production temperature according to their needs.

Electric Ice Maker

Enjoy the ice summer, enjoy life !

IM-3518Q

Electric Ice Maker

- Power supply :110-240V 50/60Hz 200W.
- Ice sock capacity :1.6kgs(about 12pcs).
- Ice size:50x50x50mm.
- Removable transparent water tank with a capacity of 1.5L.
- Detachable and transparent big Ice basket,convenient for use
- Fully automatic one-button Ice making ,it can finish making within 35mins,each time make 3pcs ICE .
- The ice can keep cold insulation more than 12 hours .

Product Dimensions(mm)	Gift box size(mm)	QTY	40HQ(pcs)	40GP	20FT
395x250x370	480x330x460	1/1	1050	875	420

3.0L

ZS_ICH033

3 In 1 Auto Ice Maker

- Power supply :110-240V 50/60Hz.
- Rate ice making :130W.
- Rate heating : 1500-2200W.
- Cold water temperature:5-10°C.
- Cold water stock capacity:1.0L.
- Ice stock capacity :1.0L(about 80pcs).
- Removable transparent water tank with a capacity of 3.0L.
- This product is a brand new three-in-one ice water machine it can provide boiling water, cold water and ice cubes.
- Fully automatic one-button instant hot water supply, water output of 300ml, 500ml, 1000ml in a single time or manual addition and subtraction of water, no need to wait.
- Fully automatic one-click ice dispensing, 8-10 pieces of ice dispensing each time.
- Fully automatic one-click dispensing of ice water, water temperature 5-10°C, single dispensing of 300ml, 500ml, 1000ml or manual addition and subtraction of water.

NIM_3012

Nugget Ice Maker

- Power supply: 110-240V, 50/60Hz 130W
- Add water by manually or tap filtered water
- Ambient temperature: 10-40°C
- Refrigerant: R290
- Noise level:≤50dB(A) [ambient noise level ≤17dB(A)]
- Big size transparent visual window
- Ice capacity: product up to 12kg of ice / 24H
- Removable ice basket capacity: 2.0L, Ice full switch-off automatically, wall with foam long time keep cold
- 2.0L water tank
- compressor cooling, high efficiency and low energy consumption
- Intelligent detection and prompt the water tank is short of water and ice full
- Auto clean function
- Stainless steel housing
